

BLD solar PANEL

- 15 years replacement warranty
- A-Grade panel
- 25 Year performance Guaranty on 80% output
- German Technology

MODIFIED SHINE WAVE INVERTER
Xtended Power
720W & 1440W
LONG BACKUP SOURCE
FOR HOME & OFFICE APPLIANCES

XP PRO

- 1st imported UPS in Pakistan
- UPS with variable charging system from 10-20 AMP
- Maintain long lasting battery life

DIGITAL AVR

- Heavy duty high efficiency toroidal transformer
- Overheat Protection
- Under volatge protection
- Super Slim

XP SOLAR PRO

- Charging battery through solar energy
- Reduce electricity bills
- Increase battery life & long backup

FRONIUS 5kw - 27kw

- Made In Europe
- European design & Technology
- The ideal compact 3 phase On Grid Inverter
- Super flex dual MPPT & integrated WiFi
- Free Online Monitoring

INFINI HYBRID INVERTER

- In-house power generation
- Reduce electricity bills upto 50%
- Online operation on your fingertips from everywhere

BATTERY

- 100% precise quality testing & high reliable performance
- Unique grid alloy formula & updated manufacturing
- Floating & standby use upto 12 years

AXPERT

- Load shedding free lifestyle
- Low setup cost
- Reduce electricity bills Upto 40%
